

is a revolutionary emergence in the field of architectural assignments formulated on the ethics of Professionalism and to create versatility with a young and dynamic team of professional acumen who have been dedicated over so many years in this industry.

was founded by its Principal Architect, Vijay Kachroo, who in the field has more than two decades of rich experience.

Prior to incorporation of KCC, Vijay Kachroo was managing the Company under the name of "Archivision".

We have about two decades of working experience in the institutional, industrial and luxury residential market. though honing our skills with exciting design and more so by our design excellence & timely delivery have developed a high profile clientele whose support provides us the opportunity to work for diverse range and locations. Customer satisfaction with quality delivered is recognized and certified by the veracity that at the component of the component o

We at **C** had the honour of obtaining the ISO-2015 (URS) Certification which is an embodiment of highly compatible standards that assures quality management system of the Organization. It sets out the requirement of a quality managed system and thus assures customer satisfaction with our services meeting all the prescribed norms of quality standards with adherence to time stipulations.

We believe and understand the inspirational design through collaborative design process and the importance of establishing a proficient design team where we are able to draw the best talent to suit the client and project needs as well. We are constantly driven by a passion to evoke spaces which enrich the rituals of daily life. Over the time we have also established lasting relationship with high-profile consultants who are also in pursuit of design excellence.

We at KCC adopt an integrated approach towards the project management to make sure apposite co-ordination at project sites.

We provide unmatchable remarkable quality building measures which are achieved by adopting innovative ideas keeping ourselves conversant with emerging world class construction methodology trends.

We also believe in update on usage of construction material keeping pace with the green building concept to reduce carbon foot print.

## Our Team

## Mr.Vijay Kachroo

Principal Architect, the backbone of the Organization.

As a Illustrious Project leader, he looks after the overall development of the Project, starting from the conceptualization stage up till the handing over of each project.

#### **Educational / Professional Qualifications**

- Master in Architecture (Landscape Architecture).

## 5 Model Making

**Director** New Marvel Models, RZ-16B, E-Block, Syndicate Enclave, Janakpuri, Delhi-110045

Mr. Brham Prakash Sharma,

## Mr. S.K.Poddar

Design Centre Consulting Engineer Pvt. Ltd. MEP Consultant Office No.44 to 47, 4th Floor, Ansal Plaza Mall, Dabur Chowk, Vaishali, Ghaziabad (U.P.) 201010 Dr. Anand Bhardwaj, Director International Institute of Vedic Culcutre (Regd.) Senior Vastu Consultant Qualification - Ph.D. Vastu, D.Sc.Eq., D.Lit (Vastu), Experience - 37 Years

Plot No.828, Laxmi Deep Building, District Centre, Laxmi Nagar, Delhi-110092

Walk Through Consultant

Mint Infotech Pvt. Ltd.

## Services

In varying capacities as consultants, KDC has completed various assignments of planning, designing and implementing. The extensive list of projects done by KDC includes business houses of repute and residences of prominent personalities.

Being a multi-professional service company, KDC under one roof can offer the entire complement of services, which would be of considerable benefits to the client in rationalizing the co-ordination problems, cutting down the Project Implementation Time and ensuring efficient Budget control.

#### STAGE I

Conceptualizing, Planning and Final project documentation, tenders and working drawings.

## **STAGE II**

Other services design management & co-ordination for realization of the Project, with process documentation.

### **STAGE III**

**Project Management** 

We offer complete and effective supervision and control of the project on behalf of the owner.

## → The Scope of KDC services includes:

## STAGE I

- Site Investigation
- Master Planning
- Preliminary Concepts and Design
- Architectural Planning
- Structural Planning
- Water Supply, Treatment and Distribution Systems
- Power Generation, Transmission and Distribution
- Lighting Systems
- Sanitary Works and Sewage Disposal System
- Heating, Ventilation,
   Air-conditioning and Refrigeration

## STAGE II

- Cold Storage
- Steam Generation and Distribution System
- Hot Water Generation and Distribution System
- Kitchen Engineering & Installation
- Laundry Engineering & Installation
- Elevators, Escalators and Hoists
- Telephone and Communication System
- Music, Radio and Public Address System
- Acoustics
- Television System
- Materials Handling System
- Fire Alarm and Protection System
- Facilities Planning
- Garbage Disposal
- Interior Designs
- Selection of Materials, Fittings and Fixtures
- Graphics, Logos and Publicity Materials
- Landscaping and Horticulture
- Preparation of Designs, Drawings, Specifications, Bid Documents, Comparative Analysis of Bids, etc. for above items. Preparation of cost Estimate and Project Time Schedules. Construction Management & Co-ordination at Site:
- Co-ordination of various Agencies.
- Administration of Contracts
- Time schedule Monitoring.
- Inspection and Approval of Works
- Certification for payments

## STAGE III

We ensure that project gets completed conforming to specifications, adhering to agreed time lines without any cost over runs.

Project Quality Management ensures that the project will meet the specifications for which it was planned. It consists of quality planning, quality assurance and quality control.

Project Time Management is achieved by processes such as activity definition, activity sequencing, activity duration estimating, schedule development and schedule control.

Project Cost Management involves processes of resource planning, cost estimating, cost budgeting and budget control.

Project Management ensures that the Contractor gets all timely inputs on design with guidance to arrange required man power, materials & machinery.

Project Management gets involved and ensures the most vital parameter that makes a project viable, deliverable in time with cost control and quality is met. Project co-ordination amongst various contractors, trades and inter disciplinary agencies to ensure smooth progressing of Project without interference or hold up to each other that causes the overall delay in the project.
